Pool Party!
COOL!
It's been such a LONG winter!

I can't believe it includes dinner for the whole family!

Honey, it's so inexpensive for a little stay-cation. Let's treat the family!

We get to play games with mom and dad and we get to eat out and we get to sleep in a motel and we get to play in the pool and we don't have to go for long ride in the car!
YEA!!
